

# Step into the spotlight with BAASS.

Be part of the puzzle - Join the BAASS Success Story Program

“Allowing your successful implementation to be used as a model of best practices can provide valuable recognition for you and your company. It also helps to shape the industry and allows others to learn new methods for solving business problems.”

- Kevin Hollis  
V.P. Business Development

## Showcase Your Success with the BAASS Success Story Program

The BAASS Business Solution Inc. Success Story Program affords you the opportunity to promote your achievements, fuel your marketing and sales efforts, demonstrate your industry leadership and gain valuable access to other executives and industry specialists. By combining the strength of the BAASS/Sage Accpac brand with that of your own brand, you can make the most of your relationship with BAASS and create positive public exposure for your business.

### How does the BAASS Success Story Program work?

By combining efforts, we can optimize the program's benefits for both our organizations. Specifically, the program is designed to help your company:

- Establish industry leadership by showcasing how you are using BAASS Business Solutions Inc. to implement software and hardware solutions that transcends your business processes and results in bottom line ROI results.

- Increase visibility through broad market exposure
- Enhance market credibility and positioning by leveraging BAASS' brand and reputation.

At BAASS, we use reference information to demonstrate how BAASS is teaming with leading organizations to increase productivity, improve client service, cut costs and boost market share. Our reference clients are innovators and leaders, and we're proud to share their success.

### Are you ready to take center stage?

We are ready to highlight your success. Join the BAASS Success Story Program today and let us put the BAASS and Sage Accpac reputation to work for you.

To participate in or receive additional information about how your company can benefit from the BAASS Success Story Program, please contact your BAASS representative.
